## SUBS

The Committee have decided that the subs for next year should be set at £12 for full members and £18 for joint members. This will be the first increase for a number of years and we have tried to keep the increase as small possible. We will also be maintaining the current overnight rates for people staying at the hut.

A number of people have asked about paying via direct debit, this method of subs collection seemed to solve many of the subs collection problems found in the Club and it was investigated by the Committee. Unfortunately, whilst a direct debit system could be operated, the revenue realised by subs collection would not cover the cost of operating the scheme - that is unless we put the membership rates up to about £60. However it is possible to operate a standing order system that once set up will run until the next subs rate change, when this happens we will send out another standing order form. If you would prefer to pay by this method please fill out the standing order form at the back of the newsletter, and forward it to your bank. If you have any difficulty completing this then please contact either Nick Oldfield or Mitch for advice. Otherwise please send your money to Nick Oldfield with the attached payment slip.

## T SHIRT COMPETITION - WIN A MAJOR PRIZE !

The T Shirt designs have now all been collected and the winner was selected at one of the Wednesday evening meets at the Crown. So the lucky winner ?????? will receive a Sony Walkman. At the Club dinner or at an earlier meet. The runners up will each receive a ticket for the Bentley Climbing Wall, near Wlasall.

The use of the selling sheet will be free for all members. It may also be used if you want to buy kit from other members by placing "wanted" ads.
